Tyrone Matheson
LMI Inc.

Dear Tyrone,

I would like to take this opportunity to share my results and the difference the LMI process has made to me personally and organizationally.

The Effective Productivity Program has allowed me to work at my business not in my business. It enabled me to view the business from an outsiders point of view.

Through the work with LMI Canada, Trish Montag and K-W Property Management Corp have many achievements to be proud of:

- ❖ 10 % Increase in sales per month in three month's time.
- ❖ 50% Improvements in customer and time management
- ❖ Improvement in my management of hours spent in the office. Beginning of this program I was working 15 hours a day. I was able to get my working hours to 25 per week.

Personal Goals Achieved:

1. Allocated and achieved time for exercise weekly
2. Lowered my working hours to 25 – 30 per week through time management
3. Gained new business through focusing on High Pay Off Activities

I would highly recommend LMI Canada's programs and Process to anyone that is looking for the slight edge in there business and personal lives.

Sincerely,
