Dear Erin:

I would like to take this opportunity to share my results and the difference the LMI process has made to me personally and organizationally.

The Effective Productivity Program has encouraged me to work consistently in my high pay off activities and enabled me to learn the importance of delegation.

Through the work with LMI Canada, Style Construction has garnered many achievements to be proud of:

- ❖ Elimination of unnecessary change orders using new review process saving \$15,000.00
- ❖ 100% increase in productivity and efficiency by delegating non HPA's
- ❖ 100% improvement in communication to trades and customers
- ❖ 100% improvement in being concerned, but not consumed by mistakes or errors made on projects

Personal Goals Achieved:

1. 102 push ups in 3 minutes
2. Planning daily
3. Less stress

I would highly recommend LMI Canada's programs and Process to anyone that is looking for the slight edge in their business and personal lives.

Sincerely,

Chelsea Valcour
