Frank,

I would like to take this opportunity to share my results and the difference the LMI process has made to me personally and organizationally.

The Effective Personal Productivity Program has helped me tremendously in my business and personal life. I now plan and work towards goals to help me be a better leader and a more successful businesswoman.

Through the work with LMI Canada, I have many achievements to be proud of:

- ❖ 70 % Increase in gross sales from last year to this year
- ❖ 79% Increase in retail sales from last year
- ❖ 70% Productivity Improvements from last year with task lists and dashboard work

I returned my investment within the first month of this year!

Personal Goals Achieved:

1. Bought out my business partner and she now is an employee
1. Hired a new fabulous employee
2. Signed up for personal training

I would highly recommend LMI Canada's programs and Process to anyone who is looking for the slight edge in their business and personal life.

LMI has truly changed my life in an uplifting, positive way.

Sincerely,

Amber Fairlie
